**Can you
hear me?**

Hello

Hello!

**MAXIMUM
NETWORKS**
VOICE & DATA SOLUTIONS

3 reasons you should say Hi...

1. We're good

We've been doing this for 25 years, our business has been built on happy referrals from satisfied customers and we're trusted by local and international companies alike.

2. We speak human

The techie info, acronyms and many syllabled nonsense can be daunting, but we'll deal with all that. You just talk to us and we'll patiently translate.

3. We work with you

You know what you need, you know your budget, and your plans. We work with you to help you achieve your goals... together!

Wi-Fi

- ✓ Expand your wireless network.
- ✓ Stay connected while moving throughout your work site, even in areas that have been challenging to reach.
- ✓ Offer secure network access to guest users, while keeping your network protected.

Cloud based systems

- ✓ No line rental required, no need to rely on BT.
- ✓ You can record calls really easily.
- ✓ Use your existing internet connection, voice calls only use around 250k each.

Security & access systems

- ✓ Remote monitoring of video from your phone, tablet or PC.
- ✓ CCTV, access control to see who is going in and out of your property.
- ✓ Super secure fingerprint access.

Engineers & installations

- ✓ All our engineers are permanently employed, no contractors.
- ✓ Nationwide coverage 24 hours a day, 7 days a week.
- ✓ Highly trained staff with DBS checks and CPD with ongoing training.

Maintenance & callout

- ✓ Remote access for our engineers to 'drive' your system from anywhere in the world.
- ✓ All our operators speak fluent techy geek, and normal English!
- ✓ Maintenance set up for your needs not ours.

Internet connectivity

- ✓ Superfast speed up to 1,000Mbps (that's lightening fast).
- ✓ All the kit and boxes, routers & stuff are included as standard!
- ✓ Dedicated broadband for super robust reliability.

**Look at what we
can offer you!
(we do such a lot)**

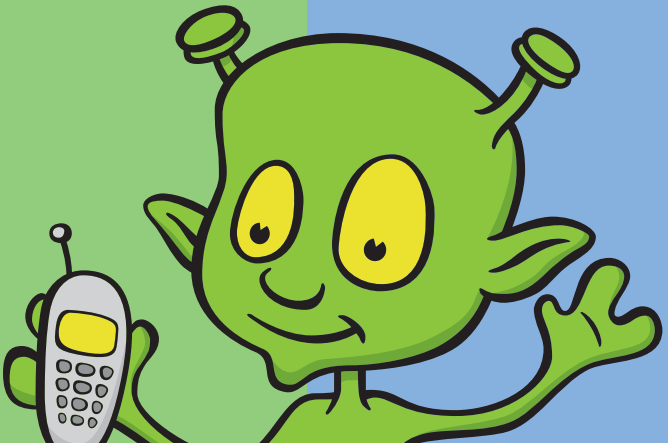

IT desktop solutions

- ✓ Cloud based office software suites such as Office 365.
- ✓ New and refurbished hardware including printers!
- ✓ Data centre off site back ups for ultra security.

Structured cabling

- ✓ Cat 5, 6, 6a, 7 and fibre all available.
- ✓ 25 year warranty on all cabling... How good is that!
- ✓ Testing and diagnosis on your existing cabling as it might be fast enough.
